Part 1: General

Rule 1. Definitions

"**Articles of Extraordinary Value**" means any of the following articles or commodities:

- a. any article having a declared value for carriage of \$1,000 CAD (or equivalent) or more, per gross kilogram;
- b. gold bullion (including refined and unrefined gold in ingot form), dore bullion, gold specie and gold only in the form of grain, sheet, foil, powder, sponge, wire, rod, tube, circles, mouldings and castings; platinum; platinum metals (palladium, iridium, ruthenium, osmium and rhodium) and platinum alloys in the form of grain, sponge, bar, ingot, sheet, rod, wire, gauze, tube and strip (but excluding those radioactive isotopes of the above metals and alloys which are subject to restricted articles labelling requirements);
- c. legal banknotes, traveller's cheques, securities, shares, share coupons, bonds, bond coupons and postage stamps;
- d. precious stones including diamonds (including diamonds for industrial use), rubies, emeralds, sapphires, opals and genuine pearls (including cultured pearls);
- e. jewelry and watches made of gold and/or silver and/or platinum and consisting of diamonds, rubies, emeralds, sapphires, opals and genuine pearls (including cultured pearls);
- f. articles made of gold, silver and/or platinum other than gold, silver and/or platinum plated.

"**Canada**" means the ten provinces of Canada, the Yukon Territory, the Districts and Islands comprising the Northwest Territories of Canada and Nunavut.

"**Cargo**" means any goods, except passenger baggage, that can be transported by commercial air services, "Goods" include live animals.

"**Carrier**" means Perimeter Aviation LP.

"**Consignee**" means the person whose name appears on the air waybill or in the shipment record as the party to who the goods are to be delivered by the carrier.

"**Gross Weight**" means the actual or volume weight whichever is greater, of the container plus contents.

"**Interline Shipment**" means a shipment routed via two or more successive carriers participating in this tariff.

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

"International Carriage" means any carriage in which, according to the agreement between the parties, the place of departure and the place of destination, whether or not there be a break in the carriage or a transshipment, are situated either within the territories of two States Parties, or within the territory of a single State Party if there is an agreed stopping place within the territory of another State, even if that State is not a State Party. Carriage between two points within the territory of a single State Party without an agreed stopping place within the territory of another State is not international carriage for the purposes of the Warsaw and the Montreal Conventions.

"Legal Holiday" means any national, provincial or local legal holiday.

"Live Animals" shall mean all mammals (other than humans), birds, crustacea, insects, reptiles, worms and amphibians.

"Montreal Convention" means the Convention for the Unification of Certain Rules Relating to International Carriage by Air, signed at Montreal, May 28, 1999.

"Perishable Shipments" shall be those shipments that will deteriorate over a given period of time or if exposed to adverse temperature, humidity or other environmental conditions while in carrier's possession.

"Shipment" means a single consignment of one or more goods, accepted by the carrier, from one shipper at one time and at one address, receipted for in one lot and moving on one air waybill, to one consignee at one destination address.

"Shipper" means the person who originates the shipment of good.

"Unit Load Device" or "ULD" shall include aircraft pallets, igloos and containers with or without integral pallets.

"Warsaw Convention" means the Convention for the Unification of Certain Rules Relating to International Carriage by Air, signed at Warsaw, October 12, 1929, as amended, but not including the Montreal Convention as defined above.

"Waybill" means the document made out by or on behalf of the shipper which, when used, evidences the contract between the shipper and carrier(s) for carriage of goods over routes of the carrier(s).

Rule 2. Governing Tariffs

This tariff is governed, except as otherwise provided herein, by regulations and by supplements to and successive issues of said publications:

- IATA Dangerous Goods Regulations, reissues thereof and amendments thereto, issued by International Air Transport Association, Montreal, Quebec.
- IATA Live Animal Regulations.

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

Rule 3. Application of Tariff

- a. Air carriage will be subject to the rules, rates and charges in effect on the date of signing the air waybill.
- b. In the event of any conflict between the provisions of this tariff and the provisions of any air waybill, the provisions of this tariff shall prevail.

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

Part 2: Acceptance of Shipments

Rule 4. Disposition of Fractions

- a. Fractions of kilograms or pounds will be assessed at the charge for the next higher half kilogram or pound.
- b. In computing rates or charges, we round upward amounts ending in 3-4-8-9 cents and lower amounts ending in 1-2-6-7 cents.
- c. Before computing cubic dimensions, fractions of less than one half centimetre will be dropped and fractions of one half centimetre or more will be considered as one centimetre.

Rule 5. Computation of Days

Unless otherwise provided, in computing time in days, full calendar days shall be used and Sundays and legal holidays shall be included, except when the last day falls on a Sunday or legal holiday in which event the next following calendar day (other than a Sunday or legal holiday) will be included.

Rule 6. Description of Shipments

- a. The content of shipments must be indicated by accurate and specific descriptions on the air waybill.
- b. The number of pieces included in a shipment must be specified on the air waybill.

Rule 7. Packing and Marking Requirements

- a. Shipments must be so prepared or packed as to insure safe transportation with ordinary care in handling.
- b. Any article susceptible to damage by ordinary handling must be adequately protected by proper packing and must be marked or bear appropriate labels.
- c. Any article susceptible to damage as a result of any condition which may be encountered in air transportation such as high or low temperatures, high or low atmospheric pressures, or sudden changes in either must be adequately protected by proper packing.
- d. Each piece of a shipment must be legibly and durably marked with the name and address of the shipper and consignee.
- e. Pieces with a floor bearing weight in excess of that which can be loaded on available aircraft must be provided with a suitable skid or base which will

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

distribute the weight to that which can be loaded on available aircraft. The weight of such skid or base shall be included in the weight of the shipment.

- f. Hazardous materials named in IATA Dangerous Goods Regulations must comply with the packing, marking and labelling requirements of such Regulations.
- g. Transportation of live animals must be in accordance with the container requirements as described in the IATA Live Animal Regulations.

Rule 9. Shipments Acceptable

Property is acceptable for transportation only when the rules of the tariff and all laws, ordinances, and other governmental rules and regulations governing the transportation thereof have been complied with by the shipper, consignee or owner.

Rule 10. Shipments Subject to Advance Arrangement

The following will be acceptable for carriage only upon advance arrangement:

- a. Shipments requiring special attention, protection or care.
- b. Shipments of articles of extraordinary value.
- c. Shipments having a declared value of \$5,000 CAD or more.
- d. Shipments of live animals.
- e. Shipments of human remains.
- f. Shipments with pieces having floor bearing weights in excess of 0.61 kgs per square centimetre. Even with advance arrangements, the above specified limit is the maximum floor bearing weight for the types of aircraft utilized by the carrier.
- g. Shipments of firearms.
- h. All shipments of dangerous goods as defined in the IATA Dangerous Goods Regulations Manual. Radioactive material used in medical research, treatments and diagnosis and industrial cameras will be accepted for carriage as per the IATA Dangerous Goods Regulations.
- i. Pieces requiring special handling and/or loading devices.
- j. Shipments requiring an escort, guard or handler service.
- k. Carrier may add other items that would require advance notice, e.g. the transportation of antlers or horns, or packages of extreme length or unusual shape.

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

Rule 11. Acceptance of Articles of Extraordinary Value

- a. Shipments containing articles of extraordinary value as defined in Rule 1 of this tariff, when the actual value of such shipments is \$25,000 CAD or more, will be accepted for transportation provided:
 - i. the shipper declares in writing on the air waybill that the shipment is subject to this rule;
 - ii. the shipper makes advance arrangements with the carrier;
 - iii. the shipper tenders the shipment at an area designated by the carrier at the carrier's airport terminal not more than two hours prior to the scheduled departure of the flight for which advance arrangements have been completed; and
 - iv. the shipper or consignee states in writing that the consignee will accept delivery of the shipment at the airport of destination immediately after the scheduled arrival time of the flight at airport destination.

EXCEPTION: Provisions of this paragraph will also apply to shipments containing articles defined as gold, silver and platinum group and dore bullion, regardless of value.

- b. If the shipper or consignee fails to comply with the provisions of paragraph a) 4) above, or if the consignee fails to accept delivery of the shipment at the airport of destination immediately after the scheduled arrival time of the flight, subject to paragraph c) below, the carrier will make appropriate security arrangements to protect such shipment until such time as the consignee accepts the shipment. All charges incurred by the carrier applicable to the provision of security arrangements will be charged to the shipper or consignee.
- c. In the event the shipment is delayed in the possession of the carrier, or carrier is unable to complete the transportation on a particular flight, the carrier will notify the consignee and will determine from the consignee whether the consignee will accept delivery of the shipment at the airport immediately after the actual arrival time, or whether the carrier should act in accordance with the provisions of paragraph b) above.

Rule 12. Acceptance and Carriage of Live Animals

- a. Carrier will accept shipments for transportation provided that:
 1. Shipments of live animals will only be accepted if advance arrangements are made and they include the name and telephone number of the consignee or a responsible party who can be reached on a 24-hour basis and clear delivery instructions or arrangements made for the shipment once it arrives at the destination airport. This information must also be included on the air waybill.

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

2. Shipments are tendered to carrier in clean containers and do not emit an offensive odour. As used in this rule, offensive means unpleasant to the senses, disgusting, revolting or repugnant. Containers must have label(s) affixed identifying contents and setting forth any special instructions for handling.
 3. If the shipper determines, after making advance arrangements with the carrier, that feeding or watering of the animal will be necessary while the shipment is in the custody of the carrier, the shipper shall provide written instructions for feeding and watering and provide non-perishable food for the entire journey.
 4. Containers are consistent with the IATA Live Animal Regulations, and except as otherwise provided, containers must be constructed:
 - i. of wood, metal or composite material to withstand normal handling;
 - ii. so as to prevent the escape of the animal or physical contact between the animal and handling personnel;
 - iii. so as to prevent any part of the animal from protruding from the container;
 - iv. so as to provide adequate ventilation;
 - v. so as to enable personnel to feed and water when necessary, without opening the container;
 - vi. of a size to insure freedom of movement;
 - vii. so as to prevent loss of food, water and waste matter.
- b. Disposition of Animals
- In the event that the carrier is unable to deliver shipment within 4 hours of arrival and is unable to contact consignee for instructions, the animal will be placed in a commercial kennel operated by a licensed veterinarian. Any charges incurred by the carrier applicable to placement in a kennel subsequent to such 4 hour period, will attach to the shipment. If instructions are not received within 7 days after the date of arrival at destination, carrier will dispose of such animals in accordance with Rule 24.

Rule 13. Shipments Not Acceptable

- a. The carrier reserves the right to refuse to carry, or to remove en route any shipment, which in the opinion of the carrier:
 - i. may endanger the safety of the aircraft, crew, or property; or is shipped contrary to the regulations of the carrier or of any Government authority; or,
 - ii. if objectionable to crew; or
 - iii. is likely to cause damage to other goods on board the aircraft.

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

- b. The sole resource of any shipper whose shipment is so refused or removed en route will be the recovery of the difference between the charges paid and the charges for the elapsed time for which shipment has been carried.
- c. The carrier reserves the right to restrict the weight, size and character of shipments according to the capacity and accommodations of the aircraft.
- d. Carriage of animals will be refused unless the animals are securely crated (see Rule 12).
- e. Shipments which require the carrier to obtain a Federal, Provincial or Local licence for their transportation will not be accepted when the carrier has elected not to comply with such licence requirements.
- f. Shipments requiring special devices for safe handling will not be accepted unless such special devices are provided and operated by and at the risk of the shipper or consignee.

Rule 14. Qualified Acceptance of Shipments

- a. The carrier retains the right to reject a shipment prior to the performance of any transportation by air from the airport of origin when it reasonably appears to the carrier that such shipment is:
 - i. improperly packed or packaged;
 - ii. subject to damage if exposed to heat or cold;
 - iii. of an inherent nature or defect which indicates to the carrier that such transportation could not be furnished by the carrier without loss of or damage to the goods;
 - iv. not accompanied by proper documentation and necessary information as required by any convention, statute or tariff applicable to such shipment;
 - v. subject to advance arrangements unless such arrangements have been satisfactorily completed.
- b. Human remains, other than cremated remains will be accepted only when:
 - i. secured in a casket to prevent shifting and the escape of offensive odours;
 - ii. A Casket Transport Details Form available at the carrier's website is completed;
 - iii. advance arrangements have been made (at least 24 hours prior shipping) and seats have been blocked on the flight;
 - iv. casket is dropped off at minimum 90 minutes before the scheduled departure time.

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

- c. Shipments containing or consisting of Hazardous Materials as defined in IATA Dangerous Goods Regulations will not be accepted unless such shipments are in conformity with such Regulations.

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

Part 3: Terms of Transportation

Rule 15. Inspection of Shipments

All shipments are subject to inspection by the carrier, but the carrier shall not be obligated to perform such inspection.

Rule 16. Air Waybill and Shipping Documents

- a. The shipper shall prepare and present a non-negotiable air waybill with each shipment tendered for transportation subject to this tariff and tariffs governed hereby. If the shipper fails to present such air waybill, the carrier will prepare a non-negotiable air waybill for transportation subject to tariffs in effect on the date of acceptance of such shipment by the carrier and the shipper shall be bound by such air waybill.
- b. The air waybill and the tariff applicable to the shipment shall be binding upon the shipper and consignee and the carrier providing the transportation. The air waybill and tariff are also binding on any other person or firm performing services in connection with the shipment for the carrier such as, but not limited to, pick-up, delivery, inspection, security/escort.
- c. No employee, agent, servant or representative of the carrier has authority to alter, modify or waive any provisions of the contract of carriage or of this tariff.
- d. The contents of shipments must be indicated by accurate and specific descriptions on the air waybill.
- e. The number of pieces included in a shipment must be specified on the air waybill.

Rule 17. Compliance with Government Requirements

- a. The shipper will comply with all applicable laws, Customs and other Government regulations of any jurisdiction to, from or through which the shipment may be carried, including those relating to the packing, carriage or delivery of the shipment, and shall furnish such information and attach such documents to the air waybill as may be necessary to comply with such laws and regulations. The carrier shall not be obligated to inquire into the correctness or sufficiency of such information or documents. The carrier shall not be liable to the shipper or any other person for loss or expense due to shipper's failure to comply with this provision.

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

- b. No liability shall attach to the carrier if the carrier in good faith determines that a law, regulation, direction, order or requirement provides that it refuses to carry a shipment.

Rule 18. Restricted and Prohibited Goods in Unit Load Devices

- a. Gold bullion (including refined and unrefined gold in ingot form), dore bullion, gold specie and gold only in the form of grain, sheet, foil, powder, sponge, wire, rod, tube, circles, mouldings and castings; platinum; platinum group metals (palladium, iridium, ruthenium, osmium and rhodium) and platinum alloys in the form of grain, sponge, bar, ingot, sheet, rod, wire, gauze, tube and strip; legal banknotes; traveller's cheques; securities; shares; share coupons; precious and semi-precious stones including diamonds (including diamonds for industrial use), rubies, emeralds, sapphires, opals and genuine pearls (including cultured pearls).
- b. Shipments of paper money, coins, regardless of amount, denomination and currency. The carrier will not accept and cannot be liable for these items.
- c. Any articles shown in the IATA Dangerous Goods Regulations, as amended, will be carried in a unit load device only when in full compliance with the following:
 - i. the IATA Dangerous Goods Regulations, as amended;
 - ii. the carrier's current policy on the accepting and handling of Dangerous Goods as defined in the IATA Dangerous Goods Regulations (also see Rules 7, 10, 14, 31, 33);
 - iii. live animals to the extent inconsistent with the IATA Live Animal Regulations (also see Rules 7, 10, 13, 31, 32).

Rule 19. Exclusions from Liability

The carrier will be liable for loss, damage, delay of cargo except to the extent as provided by the Montreal or Warsaw Conventions.

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

Rule 20. Limit of Liability

For transportation of goods governed by the Montreal Convention

For the purpose of international carriage governed by the Montreal Convention, the liability rules set out in the Montreal Convention are fully incorporated herein and shall supersede and prevail over any provisions of this tariff which may be inconsistent with those rules.

For transportation of goods governed by the Warsaw Convention

The liability of the carrier, with respect to international carriage, shall be subject to the rules, relating to liability established by, and to all other provisions of the Warsaw Convention or that Convention, as amended by the Hague Protocol, 1955, whichever may be applicable to transportation hereunder. Any provisions of the tariffs applicable to the shipment, or of the air waybill, which is inconsistent with any provisions of the said Convention (except to the extent that Articles 12, 13 and 14 thereof are expressly varied by the terms of the air waybill) shall, to that extent, but only to that extent, be inapplicable to international carriage.

Rule 21. Indemnification

The shipper and consignee shall be liable, jointly and severally, to pay or indemnify the carriers for all claims, fines, penalties, damages, costs or other sums which may be incurred, suffered or disbursed by a carrier by reason of any violation of any of the rules contained in applicable tariffs or any other default of the shipper or such other parties with respect to a shipment.

Rule 22. Liability for Charges

The shipper and consignee shall be liable, jointly and severally for all unpaid charges payable on account of a shipment pursuant to applicable tariffs including, but not confined to, sums advanced or disbursed by a carrier on account of such shipment.

EXCEPTION 1: The shipper shall not be liable for any such unpaid charges against a collect shipment where the carrier has extended credit to the consignee unless the shipper has guaranteed in writing the payment of the charges in accordance with Rule 32.

EXCEPTION 2: The consignee shall not be liable for any such unpaid charges against a prepaid shipment when the carrier has extended credit to the shipper.

Rule 23. Carrier's Lien

The carrier shall have a lien on the shipment for all sums due and payable to the carrier pursuant to Rule 21 and Rule 22. In the event of non-payment of any sums payable to the carrier, the carrier will hold the shipment subject to storage (as

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

provided in Rule 39), and/or will dispose of the shipment at public or private sale, without notice to the shipper or consignee, paying itself out of the proceeds of such sale all sums due and payable, including storage charges.

Rule 24. Notice and Disposition of Property

- a. Except as otherwise provided herein, the carrier will promptly notify the consignee of the arrival of the shipment.
- b. If, at the expiration of the free storage time provided in Rule 39, a shipment containing non-perishable property is unclaimed or delivery cannot be effected, the carrier will so notify the shipper and consignee, by mail or e-mail, at the addresses shown on the air waybill. Upon written instructions from the shipper, the carrier will return the shipment to the shipper, forward or re-consign it to another party, or otherwise dispose of it, all at the shipper's expense. If no such instructions are received within 30 days after the date of mailing such notice, the carrier will dispose of it at public or private sale.
- c. If a shipper or consignee desires notification by collect telephone when a shipment containing perishable property is delayed in the possession of a carrier, threatened with deterioration, or unclaimed, or delivery cannot be effected, authorization and instructions for such notification, including the name, telephone number, email address and/or address of the party to be notified, shall be given on the air waybill. If such authorization and instructions are not given, or if, after reasonable attempt to comply therewith, the carrier does not promptly receive further instructions concerning the routing or disposition of the shipment, the carrier will take such steps as due diligence requires for the protection of all parties in interest, including rerouting the shipment by other means of transportation, subject to Rule 25, or disposal of the shipment, at public or private sale, without further notice to the shipper or consignee.
- d. No sale or disposal pursuant to this rule or Rule 23 shall discharge any liability of lien to any greater extent than the proceeds thereof, less selling expenses if any. If the proceeds from such sale or disposal exceed the amounts of such liability or lien, including selling expenses, such excess proceeds will be remitted by the carrier to the shipper within 10 days after such sale or disposal.

Rule 25. Routing And Rerouting

- a. The carrier, in the exercise of due diligence and in order to protect all property accepted for transportation, will determine the routing of any shipment not routed by the shipper.
- b. The carrier reserves the right to deviate from any route shown on the air waybill, and to forward, when necessary, in its opinion, to expedite delivery, via any air carrier or other transportation agency at a rate prescribed by such agency, provided that when either of the foregoing rights is exercised, the

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

transportation charges shall be no greater than the air freight charges from origin to destination via the route shown on the air waybill.

Rule 26. Schedules

- a. Except as otherwise provided herein, the carrier has no obligation to commence or complete transportation within a certain time or according to any specific schedule, or to make connections with any other carrier, and no carrier will be held liable for failure to do so or for error in any statement of times of arrival or departure.
- b. Nothing in this rule shall be construed as relieving the carrier of liability except to the extent as provided in the Montreal or Warsaw Conventions.

Rule 27. Availability Of Equipment And Space

- a. The carrier undertakes to transport, consistent with its capacity to carry, all property accepted for transportation. All shipments are subject to the availability of suitable equipment of the kind and type capable of handling the shipment.
- b. In situations where there is a lack of space or availability of equipment, the carrier reserves the option to determine, on a non-discriminatory basis, which shipments shall not be carried on a particular flight, which shipments will be removed en route and when a flight shall proceed without or with only a part of the shipment.
- c. Nothing in this rule shall be construed as relieving the carrier of liability except to the extent as provided in the Montreal or Warsaw Conventions.

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

Part 4: Transportation Charges

Rule 28. Applicable Rates and Charges

Specific commodity rates remove the application of the general commodity rates on the same quantity of the same article or commodity from and to the same points over the same route.

Rule 29. Charges for Weight

- a. Except as otherwise provided herein, transportation charges for a shipment will be assessed based on the greater of:
 - i. the actual gross weight, or
 - ii. the cubic dimensional weight determined in accordance with paragraphs b) and c) of this rule.
- b. Cubic measurement will be based on the greatest dimensions (height, width and length) of either: the shipment, or of each part therein in the event of mixed shipments containing differently rated parts.
- c. Minimum charges apply to all shipments weighting in accordance to the rates indicated in the carrier's website.

Rule 30. Charges for Declared Value

The shipper may declare a value on the entire shipment, or where the shipment consists of more than one piece, the shipper may declare different values on any piece(s) which is tendered to the carrier as separately identifiable unit(s) by so indicating on the air waybill and specifically and completely describing the contents thereof as to the article(s) weight(s), number of pieces and consignee(s); provided that:

- a. Except as noted below, the weight used to determine the declared value of a shipment shall be the same as that which is used to determine the transportation charge for such shipment provided that, when a shipment moves on one air waybill over the lines of one or more carriers at a combination of rates, the declared value shall be based on the lowest weight upon which charges are based for any portion of the movement.
- b. A shipment moving on one air waybill over two or more carriers shall have for its entire movement the declared value applicable to the shipment over the lines of the originating carrier unless a higher value is declared on the air waybill at the time of receipt of the shipment from the shipper, and in such event the

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

additional transportation charge applicable over the lines of the originating carrier shall apply to the shipment for its entire movement.

c. Shipments of Gold, Silver, Platinum Group and Dore Bullion

Shipments of gold, silver, platinum group and dore bullion will be accepted only if the actual value is declared on the air waybill at the time of receipt of the shipment from the shipper. Charges will be assessed on the weight and actual value of the shipment.

NOTE: Gold, silver and dore bullion is deemed to include gold and silver in mass, gold and silver specie and/or in the form of ingots, bars, grain, sheet, foil, powder, sponge, rods, wire, tube, circles, mouldings and castings. Platinum is deemed to include platinum as bullion, platinum concentrates, platinum group metals including palladium, iridium, ruthenium, osmium, rhodium and platinum alloys in the form of grain, sponge, bar, ingot, sheet, rod, wire, tube and strip.

Rule 31. Charges on Mixed Shipments

- a. A shipment of articles which are subject to different rates, if shipped separately, will be assessed the general commodity rate applicable to the total weight (or volume) of the shipment, provided that when the shipper declares separately the contents and weight (or volume) of each part of such shipment, each part will be assessed the rate applicable to the contents and weight (or volume) of such part.
- b. The valuation charge for a mixed shipment will be assessed on the total declared value for carriage.
- c. Articles subject to the IATA Dangerous Goods Regulations, amendments thereto and reissues thereof, must be offered separately and be clearly indicated on the air waybill as dangerous goods.
- d. Mixed shipments must not include any of the following articles:
 - shipments of gold, silver, platinum and dore bullion (see Rule 30)
 - animals, live
 - bank notes, legal
 - precious stones, including: diamonds, emeralds, rubies, sapphires
 - human remains
 - pearls, excluding artificial or cultured
 - radioactive materials requiring a dangerous goods label
 - securities, including: shares, share coupons, bonds, bond coupons.
- e. Part of a shipment, for the purpose of this rule, consists of one package, piece or bundle, or two or more packages, pieces or bundles having the same applicable rate and conditions.

For explanation of abbreviations, reference marks and symbols used by not explained herein, see Page 5.

Rule 32. Charges Prepaid or Collect

Except as otherwise provided in this rule, shipments will be accepted either with charges to be prepaid by the shipper, or to be collected from the consignee (only in Winnipeg, Thompson and Sioux Lookout).
