

Block Seat Program

Baggage Seat Block FAQ

What is considered a Baggage Seat Block?

A Baggage Seat Block Guarantees up to 200 lbs (up to 4 pieces which must not exceed 3 feet high or wide) of personal belongings, such as luggage and coolers which would travel with the ticketed passenger. Baggage Seat Block would be in addition to the 60 lbs of free checked baggage per ticketed passenger.

How do I book a Baggage Seat Block?

Baggage Seat Block may be booked by a ticketed passenger up to 2 hours prior to flight departure time, subject to availability, by either calling the Call Centre at 1-800-665-8986 or may be booked in person at all Perimeter Aviation check-in counters.

What is the cost of a Baggage Seat Block?

The cost of a Baggage Seat Block is equivalent to a Freedom Fare ticket for the city pair applicable to the shipment and must be paid for at the time of booking.

What happens if my Baggage Seat Block exceeds the 200 lbs limit?

If the Baggage Seat Block exceeds the number of items allowed or the maximum weight, the baggage will be sent as "Space Available" with associated per pound cost charged to the passenger. The ticketed passenger may, at its option, purchase a second Baggage Seat Block, if available, or have the excess baggage sent using any of the other shipping services offered by Perimeter Aviation, and in accordance with our Service Level Agreement.

Why is the Seat Block service more expensive than other shipping options?

Space and weight is limited on a flight, and priority is given to ticketed passengers and their allowable baggage. Depending on the number of passengers traveling on a flight, there may be limited space and weight available for any additional cargo. By purchasing a Baggage Seat Block or Cargo Seat Block, you have purchased a ticket for a seat that will not be used by a passenger, but instead will be used for your Seat Block of up to 200 lbs, including 4 items that are not more than 3 feet in height, width or length.

How can I cancel a Seat Block?

All Seat Blocks are non-refundable. If a Seat Block is no longer required and is cancelled at least 2 hours prior to flight departure time, a credit will be applied to future bookings for up to 1 year from the date of original purchase.

Guaranteed Cargo Seat Block FAQ

What is considered a Cargo Seat Block?

A Cargo Seat Block guarantees up to 200 lbs (up to 4 pieces which must not exceed 3 feet in height, width, or length) of freight to be loaded on a specific flight. A Cargo Seat Block may include items that are material, dangerous goods, supplies, equipment, or tools.

How do I book a Cargo Seat Block?

Cargo Seat Block may be booked by either calling the Call Centre at 1-800-665-8986 or may be booked in person at all Perimeter Aviation cargo facilities.

When should the item(s) be dropped off?

Cargo Seat Block items must be dropped off at least 2 hours prior to flight departure time at the Cargo Office in Winnipeg, Thompson, Sioux Lookout or Thunder Bay; or any Perimeter Aviation Cargo facility. If your item(s) include dangerous goods, the items must be dropped off a minimum of 24 hours in advance.

What happens if my Cargo Seat Block exceeds the 200 lbs limit?

If the Baggage Seat Block exceeds the number of items allowed or the maximum weight, the customer may, at their option, purchase a second Cargo Seat Block, subject to availability, or have the items sent as General Cargo with associated per pound cost charged to the customer in accordance with the Service Level Agreement.

What is the cost of a Cargo Seat Block?

The cost of a Cargo Seat Block is equivalent to a Freedom Fare ticket for the city pair applicable to the shipment and must be paid for at the time of booking.

Please note that mobility aids or personal medical devices are items that are shipped complimentary.

All Seat Blocks are subject to availability and must comply with the Allowed, Prohibited and Illegal Items list found on our website.
