

# Shipper's Certification for Live Animals

PAL-CS-FORM018 (Original)

May 4, 2021

By completing this form, the shipper hereby certifies that they are compliant with the following requirements.

Section 1 – General Acceptance		YES	NO
In addition to having completed all advance arrangements, is the consignment properly described and packed, in proper condition for carriage by air according to all applicable carrier and governmental regulations?			
Have advance arrangements been made at the airport of destination, i.e. for pick-up?			
The shipper accepts that the carrier will not be liable for any loss, damage or expenses arising from death due to natural causes, or death or injury of any animal caused by the conduct or acts of the live animal itself or of other animals, such as biting, smothering, nor for that caused or contributed to by the conditions, nature or propensities of the animals. The shipper understands that cargo compartments are unheated and that animals are accepted for transport in winter months at the discretion of the Shipper/Consignee, and that the airline assumes no liability.			
Section 3 – Shipper's Responsibilities		YES	NO
Are the animal container(s) in the shipment properly classified, described, marked and labeled as per the Perimeter Aviation Rescue Animal Policy? Is the correct number of "Live Animals" and "This Way Up" labels attached to each container?			
Has the consignee been advised of the flight details in order to arrange immediate retrieval of the shipment on arrival?			
Section 2 – Air Waybill (to be completed by accepting agent)		YES	NO
Are the live animals the only entries on the air waybill?			
Are the Consignee's name, street and city address as per air waybill, and a 24 hour contact phone number shown on each container?			
Is the 24 hour emergency telephone number shown in the "Handling Information"?			
Is the number of animals in the consignment, as well as their common names, which must as far as possible correspond with that listed in the IATA Live Animals Regulations, shown in the "Nature and quantity of goods" box, i.e. cat or dog?
